➢**Fast:** Applications take as little as 20 minutes to complete, and can be done on your schedule. LoanSuite is available 24/7; not just during business hours.

➢**Safe:** All data in LoanSuite is kept encrypted and well protected. Continuous updates anticipate the needs of a dynamic and secure lending environment.

"Intuitive, easy to use, and mobile friendly web portals. Clean, modern interfaces."

—N.F., Trident Mortgage Client

"Everything was so organized and ONLINE! Other lenders are still operating in the Stone Age with applications that have to be hand written, etc. Everything was just made so simple and EASY!"

-A.S., Trident Mortgage Client

"Whether a prequalification application is initiated over the phone, in person, or online, by enabling borrowers to upload and download their income and asset documentation right away, LoanSuite provides a tool that forges more of an immediate connection and longer term relationship with your Mortgage Consultant."
